OBJECTIVE

To secure a challenging entry-level position where I can effectively contribute my skills, learn and grow professionally, and become a valuable asset to the organization through hard work, dedication, and continuous learning.

EDUCATION

Btech in Information Technology

Technocrates Institute of Technology 2021-2025 (Cgpa: 7.12)

HSC

ST Jones Convent School 2021 (64.4)

SSC

ST Joseph Convent School 2019 (68.4)

PROJECT

Ai Reply Bot using Python

Designed and implemented an auto-reply chatbot primarily using Python to simulate human-like responses based on user input. The system was designed to identify user intent from text input and generate contextually relevant replies using a structured dataset and classification model.

SKILLS

Language: Python , JavaScript

Framework: HTML ,CSS

COURSE WORK

Object Oriented Programing

TRAITS

Drive and Determination

Creativity

Attention to Detail
